Said In Cypress

That we need a correction column this week. We insulted Lee Stradley when we tried to compliment him on the new paint job we thought transformed his Buick. No one told us that is it an entirely different, practically new car! And when we say that "Chuck" went to Hollywood, you're supposed to know we meant Chuck Clark. Makes it more interesting to guess, we guess.

That if you've watched Carl Markel "sell" fireworks at the VFW stand you've seen a demonstrator with all the interest of a small boy in his product. Which is just the point we wish to make, Carl has a lot of fun showing the kids just what to do with all his wares.

That Dolores Cardin is walking on clouds since she received that fielder's glove, autographed by Bobby Doerr, of the Red Sox, no less. Did you know that the gang down on Nelson street has a team all its own? Every body plays. Fortunately we live on Lincoln. We couldn't compete with those Cardin "gals," Chris and Dee.

That we were at Holiday Stage on Sunday evening, too, when the press of Orange county was entertained by the management. Only this time we were invited to be given the full treatment. We mingled with the players behind the scenes. Many times the plays shown in summer theaters are being tested for Broadway. This was true of "The golden apple" produced last year. Apprentices Barbara Brooks and Bennie May enlightened us with this and other bits of info.

State Picnics This Week

Arkansans will meet Monday, July Fourth, at Amerige park in Fullerton. The state picnic is an annual affair.

All Nebraskans and friends are invited to gather with 10,000 Cornhuskers for the mid-summer Nebraska state picnic in Bixby park, Long Beach, on Saturday, July ninth. Last year 92 counties, 407 Nebraska towns and 161 California towns were represented.

News of Grace Johnson's Death Shocks Residents

by Mrs. Frank Watte

Los Alamitos lost one of its finest citizens when Mrs. Grace Johnson passed away over the weekend. It came as a terrible shock to the whole town; for many saw her Saturday night, taking tickets at the Alamo dance—doing her part as she had always done. Grace will be hard to replace. She was the Business Association's ardoit secretary, as well as secretary for the Chamber of Commerce. An active member of the Ladies Auxiliary of the fire department, registrar of voters, local Western Union representative, she also held the position of Notary Public.

In the past, Grace performed with a vaudeville circuit. She is said to have played at the Strand theatre in Long Beach. Her favorite city was New Orleans, and she had expressed the wish to return there for Mardi Gras sometime. Mrs. Johnson was born in Massachusetts. The remains are in Colbaugh Mortuary in Anaheim.

HURT IN CRASH NEAR CYPRESS

Mrs. Marybelle Johnson, 6342 Orange avenue, was taken to county hospital for emergency treatment following an auto accident Friday at Miller Road and Orange avenue. She was riding in a car driven by her husband, Joseph A. Johnson, which crashed with a car driven by Dr. Walter J. Cleveland, of Bellflower. Mrs. Johnson was hurt slightly.

Monday morning about 4:30 o'clock, a driver who apparently fell asleep struck the side of the bridge over Coyote creek. He was hospitalized with serious injuries.

RADIO'S "MOTHER" HAS LOCAL VISITOR

Mrs. Mabell Dyer spent a few days last week visiting in Hollywood with her friend, "Mother" Barber of the radio series.

Because the show will soon be televised, "Mother" Barber wishes to retire and not have to appear for work every day. This remarkable woman is reaching an advanced age and has somehow managed to carry on her radio and philanthropic work.

She was recently chosen by the florists of America to represent all Mothers. This honor brought with it gifts of beautiful floral arrangements.

Attendance Trophy Lost To Cypress Chamber Members

Local boosters for the Cypress chamber of commerce attended the Santa Ana dinner meeting Tuesday evening given by the Associated chambers of commerce in Orange county.

As is the custom at the time of the annual installation meeting, an attendance trophy was offered. A standing count at the end of the planned program revealed that Cypress had twelve present, and Newport - Balboa fourteen. Two members of the Cypress aggregation had paid their dinner fee but were forced to leave prior to the count because of earlier press commitments. The judges, headed by "Cy" Featherly, county supervisor from Santa Ana, deemed that a tie was not constituted and awarded the prized trophy to the fourteen who stood for the Newport Beach - Balboa call.

Considering the size of the two organizations by comparison of population, Cypress may well be proud of the showing made at the county meeting.

Present from here were President and Mrs. R. V. Hathcock; Vice President and Mrs. Fred Mackay; Mr. and Mrs. James Broadbelt; Mr. and Mrs. Carl J. Sanders, Jr.; Mrs. Haskell Kelley; E. V. Corby; Earl Essex; Foster Noe; and Dale and Beth Kroesen. All are members of the Chamber of Commerce.

Holt Children Given Party

Celebrating their two birthdays jointly, Mrs. Jack Junker planned an elaborate party for her two children, Virginia and Donald Holt last Wednesday.

Games were played out of doors during the afternoon, and a grab bag was a feature of the day, followed by ice cream and birthday cake.

Present were Marietta and Emile Holborrow; Mary Lou, Kenny and Sandra Houghton; Bonnie Ruth and Joan Moss; Margaret and Victor Konig; Penny, Pam and Dee Dee Dillingham; Lanai and Mickey Parker; Donnie, Mickie and Ernie Appleby; Richard and Mike Roberson, Bobby, Evalene and Gaylene Campbell; and Susie Huckaby, Wanda Johnson, Marvin Webster, Rickie McLain and Mmes. Victor Konig, Harold Appleby, Robert Campbell, D. C. Dillingham and Arnold Holborrow.

SANDERS KIDDIES AT PICNIC WITH MOTHER

Houghton park in Long Beach was the scene last week of a picnic for mothers and their adopted babies. Coming from Los Angeles, Hollywood, Gardena, Bellflower and Pasadena, Cypress was also represented.

Mrs. Carl J. Sanders, Jr. and two boys were in attendance and young Billy was signally honored. A Long Beach paper carried his picture the next day showing how much he enjoyed (?) the party. Billy was not his usual sunny self, but he made good material for a photograph with an appeal to human interest. His cousin, Jimmy Beck, was also featured in the picture.

If the male members of the Sanders family had been alert that evening, and we mean Carls Jr and Sr., they would have seen Carl III and his mama on television news reel. But they were watching the ball game!

FIRST AUCTION IS SCHEDULED FOR SATURDAY NIGHT

The first auction of the Triangle auction yard will be held Saturday night at 7:30, at 5051 Lincoln avenue.

Frank Stewart, one of the owners, stated that his brother, Ralph, will be the auctioneer and that following the opening, regular auctions will be held on Thursday and Saturday nights at 7:30 o'clock.

NAZARENE CHURCH ENDS BIBLE SCHOOL TODAY

Closing today, the members of the congregation of the Cypress church of the Nazarene are highly pleased with the attendance at their daily vacation bible school. A program tonight will bring an end to this year's session, with a display of handcraft accomplished by students.

Another project, the development of a playground, is also progressing satisfactorily. The back-stops for the ball diamond are in place and it is hoped to purchase lights in the near future. All the work is done by donated labor and is under the supervision of the young people's society.

WOMEN'S CLUB PLANS FOR WHITE GOLD DAY

Mrs. James Bryant was hostess to the Cypress Women's community club for the June meeting of the group in her home on south Hansen road. Mrs. Ruth Redmayne assisted as co-hostess.

Plans were inaugurated for this year's White Gold day on October eighth. It was decided to sponsor the food and needlework booths again this year. A quilt will be offered for sale, to be made by the members. Chairmen of the booths will be Mrs. Swain and Mrs. Fernandez, respectively.

It was voted also to enter a float in the parade. Responsible for this project will be Mrs. Arnold, Mrs. Carpenter and Mrs. Jones.

The next meeting will be July 12 at the home of Mrs. A. E. Arnold, and co-hostesses are Mrs. Earl Essex and Mrs. John Carsten.

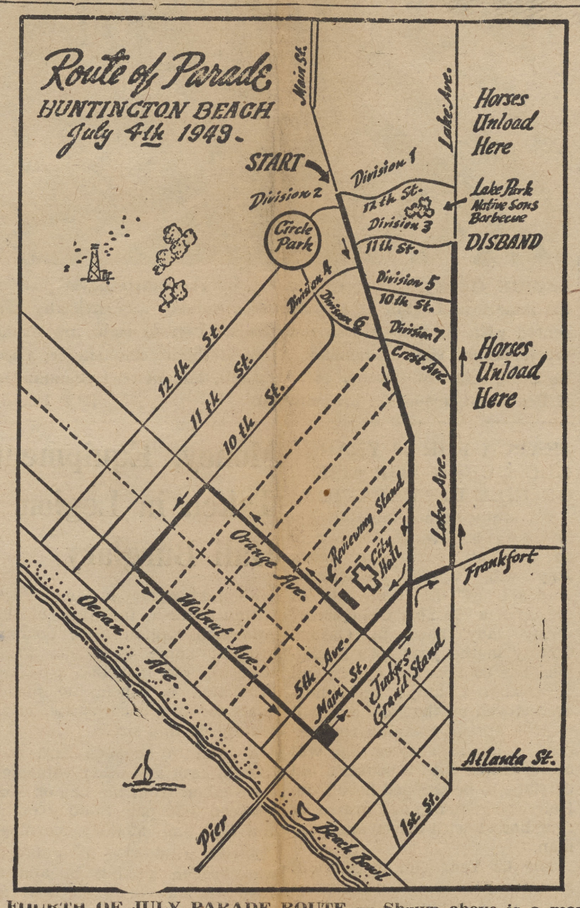
Jack Woodmansee Married To Long Beach Girl

Reciting their marriage vows in a quiet double ring ceremony last week were Jack Woodmansee, 5592 Crescent street and Miss Dolores Willis, 319 East 56th street, Long Beach. The ceremony took place in the Garden Wedding Chapel in Long Beach on June 23.

The bride chose a pink crepe dress with navy blue accessories for her costume, and carried a bouquet of baby orchids and sweet peas. For the traditional "something old," she wore a watch belonging to her grandmother, Mrs. H. D. Lorenz. The new Mrs. Woodmansee is the daughter of Mr. and Mrs. William R. Willis, Jr.

The groom is the son of Mr. and Mrs. H. D. Woodmansee. He attended the Cypress elementary school and Anaheim high school and was graduated from Fullerton junior college, where he was a member of the football team, in 1948.

Mrs. Gordon Sutton, of Cypress, a neighbor and close friend of the groom's family, attended the wedding and reception which followed.



FOURTH OF JULY PARADE ROUTE — Shown above is a map of the route of parade for the 4th of July celebration at Huntington Beach. The parade starts 11:00 a.m., Monday, July 4.

Summer Activities For Cypress Young People

SWIMMING

Summer classes in swimming are underway in Anaheim and are open to Cypress school children. Beginners may go to the Anaheim City park for instructions. Beginners certificates will be issued by an instructor who is qualified under the Red Cross. There will be a small fee to the city for the use of the pool.

Classes are already in operation at the Anaheim union high school for boys and girls who can swim 50 yards or more. Under supervision of Richard Glover and Red Cross Instructor Irwin North, advanced lessons are given. The fee is $3 of which $1.50 is a locker fee and will be returned at the end of the season.

Transportation for the children will be a personal problem of the families involved.

BOXING

Don't forget the boxing lessons for boys from five years and up. Held every Saturday morning at ten o'clock at the Camp street, interest in this particular type of physical training has proved to be popular. The lessons are only 50c each Saturday, as long as a class of 12 boys is maintained.

Manny Liebermann, from the YMCA in Long Beach, is the instructor.

BOY SCOUTS

Meet each Monday evening with their scoutmaster and committeemen from the VFW post in the scout house on the school grounds. Summer vacation time affords an opportunity for sincere study of the manual on the part of the scouts and a chance for real advancement before school starts next fall. Interested parents should call Scoutmaster Jack Kepner, Anaheim 5048. 8362 Gay st.

SUMMER PLAYGROUND

There will be an organized playground program on the Cypress school grounds this summer. Beginning Tuesday, July 5, an instructor will be present each Tuesday, Wednesday and Thursday for the months of July and August from nine o'clock until three p.m.

This is a brand-new undertaking for Cypress children, who have had no planned summer activities in the past. The director would especially like help from the mothers. Any mother who could give her time for a morning or afternoon on one of these days, would find her services appreciated.

LIBRARY READING CLUB

Appealing especially to students of the fourth, fifth and sixth grade age-groups, the Cypress library has a delightful reading project worked out for the vacation period.

Built around the centennial year's theme, a miner's poke is given to each contestant. That, to you boys and girls, is a sack for carrying gold nuggets. These you will get to fill the poke as you finish your books.

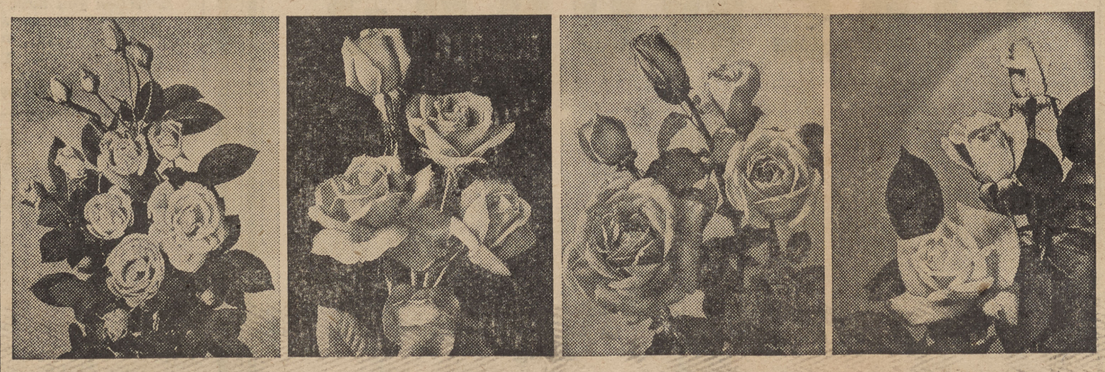
The library is open on Monday, Wednesday and Friday afternoons and Monday evenings from seven to eight o'clock. Mrs. Ray King, librarian reports that 24 youngsters have enrolled already for the reading fun program.

HARVEY ELLSWORTH IS WED RECENTLY

Harvey Ellsworth was married to Miss Virginia Kirchman, 3605 Olive st., Fuller Park, in Tijuana, Mexico, June 21.

The couple will be at home at

FOUR NEW ROSES WIN ALL-AMERICA AWARD FOR 1950



FASHION | MISSION BELLS | CAPISTRANO | SUTTER'S GOLD

Introducing 1950's Roses of distinction! These four brand new "Oscar" winners will hold places of honor in thousands of gardens next summer. Fashion, the only floribunda chosen, is coral pink overlaid with gold; Mission Bells, a hybrid tea, is salmon colored; Capistrano is a hybrid tea of soft rose pink; Sutter's Gold, also a hybrid tea, is yellow with pink shading.

The coveted All-America designation is awarded on the basis of two-year tests made in eighteen official trial gardens located throughout the country. Only plants achieving the highest point rating on actual performance under widely varied climatic and soil conditions are chosen for the honor. The 1950 winners will be available from leading nurserymen in time for planting this fall.

It's A Joke, Son

(by the Enterprise Humor Ed.)

(Ed. Note — Any resemblance of names used in this article are purely coincidental, etc. etc.)

A customer was in the Cypress hardware recently looking at new refrigerators.

Foster Noe proudly opened the door of one of the demonstration models and was amazed to see a rabbit sleeping on one of the shelves.

Shaking the rabbit, Mr. Noe said, "What are you doing here?"

"This is a Westinghouse, isn't it?" asked the hare.

"Yes, this is a Westinghouse, but—"

"WELL, I'M WESTING!" was the rabbit's disgusted answer.

Free Prizes Are Still Offered To Boys, Girls

The ENTERPRISE subscription contest, open to all boys and girls, is still going strong. Turn to page three and see the huge variety of free merchandise that is available by merely selling subscriptions to the ENTERPRISE.

Although many young people have started on their drives for subscriptions, there are still several people in town who are waiting for someone to come so they can give them their subscription.

So don't delay, boys and girls. Start working on your favorite prize today. For further explanations as to the rules, come to the ENTERPRISE office across from the elementary school.

Prizes are being offered by the ENTERPRISE in cooperation with the Cypress hardware and Henry's drug store.

SIX FREE THEATRE PASSES GIVEN AWAY FOR MISTAKES

ENTERPRISE readers were the winners of six free passes to the Cina-Car Drive-In theatre last week when they found misspelled words in the three advertisements.

The winners were Mrs. Thomas Elliott, 4641 Orange avenue, who found the words 'explane' and 'addreses' in the Cypress ENTERPRISE ad. Mrs. Louise Daniels, 5672 Vonnie Lane, discovered 'read' and 'cleeners' in the Cypress cleaners' ad, and also the words 'caning' and 'Phill's' in the Phil's Market ad. She took home four passes.

Change in Rules

The contest still goes on the same this week, with the exception of one small change in the rules. From now on, the same person may not win more than two passes per week. This change was made so that more people would have a chance to win.

Another point the ENTERPRISE would like to clear up, is that THE FIRST PERSON TO PICK UP THE TICKETS is the ONLY winner. Some readers last week were under the impression that anyone who found the mistakes were eligible to win passes.

Again this week, some of the advertisements have at least TWO misspellings in them. The FIRST person to report, in person, those mistakes to the merchant who sponsored the ad, is the winner of two free passes.

V.F.W., THOMPSONS' SELL FIREWORKS UNDER NEW RULING

Discontinuing wartime restrictions on the sale of fireworks, the county is now allowing the sale of the non-explosive variety.

Two organizations in Cypress, the VFW Post No. 9847 and "C" Thompson's variety store have received permits to sell.

"C" Thompson is selling in front of his store at 5951 Lincoln avenue.

The VFW has two stands, one out by the Hancock service station west of Cypress, and the other at the corner of Lincoln and Walker in the center of town.

HARDERS' RE-NAME ERNIES' DRIVE-IN

Two new signs show passers-by that Ernie's drive-in is now a thing of the past.

The Loyd Harders, recent purchasers of Ernie's, have erected a new neon sign along the road which features "Loyd's" as the new name, and they have also changed the sign at the top of the building.

They also announce a slight change in the hours. From now on, the drive-in will open at 11 a. m. and close at 3 a. m.

WORKER CLARIFIES PE'S STATEMENTS FOR CHAMBER

This might well be farewell to news of Boy Scout Troop No. 76 in Cypress. Scoutmaster Jack Kepner has indicated he expects to submit his resignation to sponsoring VFW Post No. 9847. Committeemen E. E. Luty has indicated he will be moving soon to Long Beach, to be nearer his work, and Frank Buzzo, long an ardent worker with scouts, has resumed his cadet air training, which takes up his available time.

It is not possible for the remaining two committeemen, John Sutphin and Anthony Sedia to carry on this work alone. Services are needed of interested fathers or men trained in scouting, if this activity is to be kept alive. Volunteers should inquire at 5661 Saint Ann street how they may help this project continue.

Boy Singer To Be Here Sunday

Startling the world with his ability to sing C above High C, Charles Booker will appear Sunday at the Cypress Church of the Nazaene with the Whitney

CHARLES BOOKER

Boy Singers. Their concert will begin during the Sunday School hour, at about 10:30 o'clock. There are twenty young boys in the choral group.

Charles, only twelve years of age, is reported to be able to sing a note unbelievably high, the note of C three octaves above middle C.

He is described as being short in stature, long in intellect and high in vocalization, with a personality bewitching to every audience.

The boys will sing a program about one hour in length. The public is cordially invited to the church Sunday morning, according to W. D. Howard, pastor.

WELCOME! New Readers

Mrs. Ellen Jennings, Cypress.
Mrs. Arden Hambly, Cypress.

Regular meeting of the Cypress Women's club will be held Thursday, July 7, at 1:30 p.m. in the club house on Walker street.

Mrs. Ruth Redmayne will be co-hostess.

All members are urged to attend.

E. E. Goodman, 8742 Cypress avenue, was present at the chamber of commerce meeting Monday evening. He volunteered to clarify several disputed points in connection with statements made by representatives of the Pacific Electric in a meeting here explaining the company's plan to disband several of its rail lines.

Goodman is an employee of the company and disagreed with several of the statements made by the visitors when they appeared at the open meeting to show that the Santa Ana line does not pay. He quoted figures which gave a different picture than that presented by the company. He also stated that the contract which governs bus drivers is the same contract which governs trainmen.

Goodman revealed that his family has had 92 years of service with the one company. He is one of several generations which has been in the company's employ.

Other matters coming before the group included referral to the highway and roads committee concerning action being taken on the extension of Walker street to the south and a stop sign at the corner of Orange avenue and Walker street. The committee will report its findings later.

President R. V. Hathcock will inquire of school officials in Anaheim in the matter of a bus to bring home students who have remained after school for athletics. During the school year just passed, it was necessary for boys to hitch-hike in order to reach home.

Leona Murdock and her committee composed of Frank Stewart and Evie Junker, had worked out details of a plan to develop a fund in a "kitty" to take care of expenses at Christmas time in the interests of the community. The plan was presented by Stewart.

The following members were present at the meeting: Broadbelt, Von Trotha, Arnold, Essex, Delma M. Winfield, Corby, F. Mackay, F. Stewart, Mata, Moss, Murdock, Frank Noe, D. Kroesen, B. Kroesen and President Hathcock.

Orange County To Celebrate The 4th of July

Huntington Beach is host to Orange county residents in a gigantic celebration starting today through the Fourth.

Commemorating the 60th anniversary, a search has been made for any lady born in Orange county in the year 1889. The 60-year old "Queen" will be the county's most honored citizen.

A gigantic patriotic parade is planned for Monday, July fourth, at 11 a. m. Boy Scouts who may participate from Cypress dressed in full uniform are Charles Chambers, Walter Beuck, Ronald Garrison, Wayde Martin and Kenneth Laird.

Cypress Chamber of Commerce is preparing a float in the parade to advertise White Gold Days October 8.

LOCAL MAN COULD WISH LIVING LESS EVENTFUL

L. D. Barrick, of 6402 Orange avenue, finds events a little too hectic. He recently placed his family on the train for a trip to Perry, Iowa, to visit relatives.

This week he reported to sheriff's officers that a power saw and rope worth $471 was stolen from a truck which was parked at his home.

SENSE AND SAFETY

Safety is largely a matter of common sense. That applies on the Fourth of July weekend as well as at any other time. Common sense leads one to drive at a reasonable speed, to observe traffic signals, avoid drowsiness at the wheel, keep the car in good mechanical condition, and not to mix even ONE drink with driving. Common sense also prevents one from swimming alone, or attempting to swim farther than he is reasonably capable of doing, or from going into the water immediately after a heavy meal. There needn't be any 300 or 400 accidental deaths over this week end. The anticipated toll can be cut virtually to the vanishing point through the exercise of due precautions by all. If a trip is worth making, then it's worth a little extra time and care to see that you and your family—and the other fellow too—get a chance to enjoy it and to take other trips in the future.

LANDLORD OF THE YEAR

If there is a landlord's hall of fame, the bust of Lew Brott of Gloversville, New York, should be prominently displayed in it.

He thinks it's all right for people to have children. Last week he advertised a five-room flat for rent. The terms were amazing: $70 for adults; $67.50 for adults and one child; $65 for adults and two children; $62.50 for adults and three children; and only $60 for a family with four or more children.

To the stunned reporters who beat a path to his door, Mr. Brott explained: "I was a kid once myself. Besides, alcoholic stains and cigaret burns do damage, but dirty finger marks wipe off."

The odd part about Mr. Brott's reasoning is that it makes perfectly good sense.

NOT SO SMART

Lest we forget, it was just nine years ago on June 22 that Adolf Hitler made his greatest triumph—complete victory over France—and exactly one year later, made his greatest mistake—the attack on Russia.

In the light of what Winston Churchill has said in his memoirs, however, it appears that Hitler also made a mistake in knocking France completely out of the war. As Churchill points out, the collapse of the French left Britain free to concentrate on her own defenses. If France had remained in the battle the British would have been obligated to help as best they could.

As to the attack on Russia, that seemed a pretty obvious error almost from the start despite the early Nazi successes. Although Hitler conquered plenty of territory he was himself being conquered by the huge loss of men and machines which did much to sap the power of the Nazi juggernaut.

Merchants Start Second Round

Going into the second round with a 6-win, no-loss record, the Cypress Merchants are the team to beat in the National softball association.

After a long rest of almost three weeks the Merchants will renew their defense of the league lead by meeting Hawaiian Gardens tonight at Norwalk. Game time is 8 o'clock.

In their first meeting, the Merchants had their own way and took the Garden team into camp 16 to 2.

Holliday Quits

League-leading pitcher Earl Holliday will not be with the Cypress team for the last half of league play. Although his pitching arm will be missed, other pitchers have been groomed throughout the season and will fill in the hole left by Holliday without too much loss of strength.

GIRL SOFTBALLERS WIN 19-3; LOSE 19-0

The Devilettes ran into a rather inconsistant streak this week as far as wins and losses went.

When Corona visited the local diamond last week, the Devilettes found their batting eyes and trounced their opponents 19 to 3. The game was called at the end of the fifth.

Highlight of the game was a home run in the third by Loretta McVay. She hit the round tripper with two on base.

The girls would rather not say any more about their Tuesday evening visit from the El Modina Tomboys. The Tomboys were leading 19 to 0 the end of the fifth, so the game was called due to a league ruling which gives that priviiege to the losers if they are 15 or more runs behind.

In the latter game, Delores Cardin was said to have reached third base when she got on with a walk.

Buena Park And Norwalk Will Meet Devilettes

The Cypress Devilettes will face two tough opponents this week, the first game being played Tuesday at 7:30 p.m. on the local diamond.

Their opponents will be the Buena Park Kittens. Earlier in the season the Kittens got off to a good start and defeated the Devilettes 16 to 2.

Thursday the Devilettes travel to Norwalk and will tangle with the Norwalk girls. The Devilettes nipped them 6 to 4 earlier on the Cypress field. The game is at 7:30.

The family of Mr. and Mrs. Job Denni gathered at the home place on Juanita street on Fathers' day. In the group were Mr. and Mrs. Pete De Fabio and children of Huntington Beach: Mr. and Mrs. Howard Rash and children and Mr. and Mrs. J. W. Harpster and children of Santa Ana; Major and Mrs. R. O. Lundy of Westwood; Mr. and Mrs. J. Kufe of Fullerton, Job Denni, Miss Lucy Pazinni, Jr. and Mr. and Mrs. Denni.

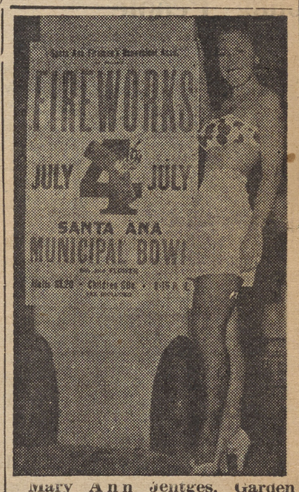
SEARCH FOR 60 YEAR OLD QUEEN FOR 4TH OF JULY CELEBRATION

To commemorate the 60th Anniversary of Orange County to be held at Huntington Beach July 4th, William Gallienne, Manager of the event, is in search of a "60 Year Old Queen."

Any lady born in Orange County in the year 1889 is eligible. The 60 Year Old Queen will be Orange County's most honored citizen on that day and will wear a special costume reminiscent of the 1889 styles. She will be furnished with a beautiful old carriage to be shipped here from Hollywood Studios and drawn by four horses with driver and footman.

The 60 Year Old Queen will lead the parade and will be the guest of Huntington Beach during the entire festivities. All ladies who qualify will please contact William Gallienne at the Chamber of Commerce office in Huntington Beach. The first lady to enter will be the Queen.



Mary Ann Jentges, Garden Grove, is shown above as an enticement to attend the "Fourth of July" Independence Day Celebration in the Santa Ana Municipal Bowl at 8:15 p.m. July 4.

Money, Equipment Taken in Legion Hall Burglary

Second burglary in Buena Park within a week, this time of the American Legion Hall, today brought home to Buena Park residents the fact that police protection is much too inadequate for an unincorporated community of this size.

A total of between $225 and $300 in cash and other valuables were taken from the Legion hall between 9:30 p.m. Sunday night and 6:00 a.m. Monday morning.

A rear window of the building was broken getting in and a hasp was sawed on the door to get the equipment out.

"Roughness" of the burglary indicated that it was not a professional job, according to the Orange county sheriff's office report.

Charles Stanford, Commander of American Legion Post No. 354 stated that the alarming increase of burglaries indicated a need for incorporation.

The burglary followed closely upon the heels of the ransacking of the Buena Park Pharmacy, at 6471 Grand avenue, a week previously. Valuable narcotics as well as $226 in cash were taken at that time.

Indications are that the pharmacy burglary may have been done by an experienced gang that had previously broken into drug stores in La Habra and Whittier, operating in much the same manner.

Mrs. E. Cutter is improving her property on Lincoln avenue. Doing the painting and general overhauling required is "Scotty" MacPherson.

Travelogue

by James C. Duncan

Fifteen days after leaving San Francisco, we arrived at the mouth of the mighty Yangtze River. We arrived at night, so we had to drop anchor and wait until morning before proceeding up the river. It certainly was good to see land once more.

The next morning we moved up the Yangtze to the mouth of the Whangpoo River. There we dropped anchor and awaited the custom officials to come out to the ship and clear us. Immediately on dropping anchor, native bumboats swarmed about the ship. They came from every direction. Soon there were about fifty tied up to the ship. The bumboats are really small house boats in which whole families live. They also serve as stores as they carry a complete line of silk or rayon kimonos, camphor chests, jewel boxes, hat and novelties.

The crew paid little attention as they shouted and screamed for them to come and look at their displays. Everything they had for sale could be bought much cheaper in Shanghai.

Finally, at 1000 hours (10:00 a.m.) the custom officials arrived and cleared the ship and we proceeded up the Whangpoo. The river is wide and undescribably filthy. Millions of sampans, ferryboats, rowboats and junks jammed the river making it necessary for the pilot to keep blowing the whistle almost continuously in order for us to keep moving.

Shanghai is a large city and fairly modernistic as far as architecture is concerned. Along the Bund, Shanghai's main avenue and business district, stand stately buildings representing banks, exporting companies and hotels.

After the ship had tied up to the American President Lines' dock, Lenny and I went ashore. We had to take a ferryboat to the passenger jetty at the foot of the Bund as we were docked quite a way up the river.

Stepping off the ferry we were met by a mob of shouting rickshaw drivers. They rushed up to us yelling and tried to drag us to their rickshaws. We finally got in a couple and directed the drivers to take us uptown.

A great many of the Chinese

TRAVELOGUE

(Continued from Page 2)

speak English, so it is quite easy to get around.

We went a way down the Bund then turned on to Nanking road which took us into the heart of the shopping district. People were walking along the sidewalks and out in the streets. The filth was amazing and the air was heavy with pungent odors of unclean meats in open air butcher shops, filth in the gutters and unbathed bodies. Small English cars raced madly up and down the streets, scattering pedestrians every which way.

As we rode along in our rickshaws, small children followed us begging for cigarettes, comashaw (money), candy and gum. All of them were bare footed, had running noses, tattered and torn clothes and they all needed a bath very badly. We dared not give them anything as we would have been mobbed both by kids and adults. At night, they curl up in some store doorway and go to sleep and some of them never wake up.

Lenny and I window shopped awhile. One thing we noticed in particular was the price of commodities. Radios that in the states were selling for fifty dollars, were selling here for two hundred American dollars.

We stopped at a money changer's shop and exchanged five dollars apiece. We were handed back twenty-two thousand and five hundred Chinese dollars. We almost needed a wheelbarrow to carry it around with us. We also stopped for a milk shake and it cost us seventy-five cents American.

While in Shanghai we were vaccinated against small pox. A woman doctor came aboard in the morning to vaccinate us. She made everyone line up and roll their left sleeve up. There was quite a bit of grumbling from the crew about having a woman doctor, but the purser hasitly assured everyone that she was quite capable of her task.

We remained eight days in Shanghai unloading cargo, then sailed for Hong Kong.

Los Alamitos

Mrs. Frank J. Watte, Phone L. B. 95348

Sunday, representatives of the Los Alamitos volunteer fire department were on hand for the dedication of the new fire department building in Silverado Canyon. The Los Alamitos fire chief, Ray Baker and his family were there to watch the opening of the beautiful new structure. Also the Pattyn family, Hueberts, Campbells, F. Watte's, Laytons and Steins enjoyed the day in Silverado. One of the outstanding features of the new department is the giant fireplace. It will be the only supply of heat, because they do not have the gas outlets that we have in this area.

While on their vacation, the Herbert Proctors had an experience which they hope to never have repeated. Young Bill Proctor was fishing at the edge of a cliff, and pitched over. Knowing that there was nothing he could do about it, he relaxed. Upon coming in contact with the water, it immediately carried him down the rapids. He was able to swim to the side after the swift water had carried him quite a distance downstream. His parents estimated that he must have fallen at least 100 feet into the rapids. He came out with just a couple of scratches.

Young Harold Crittenden is in Seaside Hospital with a serious knee infection.

The "summer round-up" of pre-school age children commences July 5th. A meeting will be held in the home of P.-T.A. president, Wilamina Ford, to discuss this project, and a fund-raising campaign, to establish a child welfare fund. The ladies have decided to make small aprons to be mailed to friends; and upon receipt of the apron, the ladies are to measure their waists. They will send as many pennies as inches around. Unique, isn't it?

Will Hold Fair In Buena Park

Tentative plans for a summer fair to be staged in Buena Park late in July were discussed by businessmen at the luncheon meeting Wednesday noon at Kellogg's. A rough outline of the project include a carnival, special sales events and contests, demonstrations, etc. A committee composed of Bill Nelson, Marvin Wangrud and Paul Kroesen will investigate the proposition thoroughly and call a meeting of interested business people to determine whether to undertake it.

Who lived in a shoe.
She had so many children,
She didn't know what to do.
They wore out their shoes
